

Dear All,

We would like provide you with updates on our Careers Programme and Experiences.
(January 2022 Edition)

All Year 11 should have finalised their applications for further learning and training by the end of February 2022.

We have provided access for the learners to attend interviews in the academy . We are aware that some individuals have attended their interviews externally—If this is the case, **Log On Move On** profiles have to reflect their choices. SAN Careers Team have been supporting all Year 11 to complete their applications via LOMO , if you feel that you need more information/updates on a particular application... don't hesitate to contact us:
