

SAN Parental Bulletin!

Covid-19 continues to dominate the news. From an Academy perspective, we continue to receive notification of positive cases. With each case, we take advice and act accordingly. At all times we aim to maximise safety. We understand parent/carers concerns and we can reassure you that we are doing all that we can to maximise the safety of all staff and students.

Walking around the Academy and seeing the level of engagement and education, despite the current circumstances, is a real credit to the students and staff. There is a real sense of community in the Academy and our charity work is continuing. Where necessary, live lessons are supporting our students to continue their learning showing 'no limits'. Students continue to broaden their horizons through work on anti-bullying week and "grit".

With the back drop of COVID, I am extremely proud of the commitment, community and resilience of staff and students.

HEAD BOY

I would like to assure parents/carers that even during this difficult time, our community stays strong and positive. It is lovely to see the smiles of each and every student, supporting each other, especially during these strange circumstances.

I and the team are striving to do our best to maintain this pleasant environment, whilst complying with the pandemic guidelines, by sharing motivational quotes through the academy and rewarding hard working students with a well-deserved hot chocolate. It has been a privilege to share success with so many students this week.
