

SAN Parental Bulletin!

Welcome to the final bulletin of the term. What a term it has been. Throughout the period of lockdown, the visible activities such as work packs, vouchers, food deliveries, lessons in school for some students, welfare checks were clear for all. The work behind the scenes to provide the best possible education and implementing the most effective risk assessment on our return was less visible.

After all of the work, it was great to see students return to the Academy in September. The staff and students have provided the best start for the Academy. Walking around the Academy, I am seeing incredible attitude and engagement. Year 11 are already setting a high standard, Lesson 8 has really supported catch up and put them in a strong position. Students have adapted incredibly well to the COVID strategies. This led to incredible feedback from our external inspection.

In our mission to catch up lost learning, to provide the best possible education, guard against COVID, our staff and students are doing our Academy community proud.

No limits.

This week the Senior Student Leadership Team met with our Year Leaders and discussed many things, with a hot topic being rewards. We conversed about the expectations of our Year Leadership team and what we aim to do in the next term: we'll continue to push heavily in promoting the positivity around the academy and ensure that we all have No Limits expectations.

COMMUNITY:

- As a community we have been united in challenging the difficulties that we have faced this term. Both staff, students and parent/carers have worked as one to achieve the best results possible.
Well done to all!

When educating the minds of our youth, we must not forget to educate their hearts.
