Broadening Horizons

Enrichment Weekly

9 OCTOBER 2026 • LOOKING AHEAD TO 12-16 OCTOBER

Welcome to our weekly celebration of enrichment at Sirius Academy North. Discover what our pupils have achieved, explore opportunities to get involved and check the notices and timetable for next week.

Ellie wins a volunteering award

We are incredibly proud of Ellie, whose commitment to helping others has been recognised with a volunteering award. Her journey began through the Duke of Edinburgh Award and has continued to make a difference in our community.

The Peel Project celebrates Ellie

Ellie joined The Peel Project in 2025 through her Duke of Edinburgh Award and chose to continue volunteering after completing it. Since then, she has grown from a shy but determined young person into a confident, kind and reliable role model. She gives her time to support youth sessions, foodbanks, events, holiday activities and more.

The Peel Project highlighted Ellie's journey as an example of why meaningful volunteering opportunities for young people matter. Well done, Ellie — this award is so well deserved!

Rugby success through effort and teamwork

Our Year 7 boys travelled to St Mary's for their first rugby match representing the academy. Of the 15 players in the squad, only one played for a team outside school, so this was a new experience for almost everyone.

The boys played with smiles on their faces and improved throughout the 40 minutes. St Mary's experienced players showed outstanding sportsmanship, recognising that our team was learning the game.

Although St Mary's scored seven tries, our players never gave up. They showed determination in contact and were all eager to carry the ball. Spreading out and developing spatial awareness will be a focus as the squad builds its understanding of the game.

A memorable moment came when captain Deacon spotted a gap and used his agility and strength to score a try for Sirius North. The whole team celebrated together!

PLAYERS OF THE MATCH • ALI AND HARRY

Ali and Harry shared player of the match after outstanding performances in attack and defence. In their first ever rugby game, both showed impressive skill, speed and toughness. Congratulations on a performance to be proud of.

Rugby dates for your diary

Year 8 and Year 9 training: Tuesday, 3:05–4:00 pm.

Year 8 fixture: Cottingham High School, Tuesday 20 October.

Music recognition and a Christmas invitation

Music Mark of Recognition

We are delighted that Sirius Academy North has been presented with the Music Mark of Recognition for Ambition and Quality. This is another achievement for our music provision, building on our role as a Humber Music Hub Lead School.

Our pupils will perform for Hull

Following their performance at the Guildhall, our pupils have been invited to perform from the balcony at Hull's Christmas lights switch-on on 19 November — an exciting opportunity to perform to thousands of people.

Bethany, Leroy, Sienna, David and Lincoln will perform the five songs they sang at the Guildhall, including two solos. Over the next few weeks, they will also prepare a Christmas song for the occasion.

Praise from the council

A council representative reflected on a career working with royalty, prime ministers, politicians, sports personalities and actors, as well as opening buildings and stadiums and delivering City of Culture events. They then shared this response to our pupils:

"But nothing has left such a mark on me as seeing the school children of Sirius Academy North perform at the event. It was breathtaking & outstanding. It gave me goosebumps on my neck and left me smiling for days."

"And it wasn't just me saying that... The tech guy I worked with does 'rock & roll' — outdoor events all over the country... even he was stopped in his tracks during their performance."

HULL CHRISTMAS LIGHTS SWITCH ON • 19 NOVEMBER

We are proud of our performers and look forward to seeing them represent the academy at this special city event.

Spelling Bee Champions

We held our Spelling Bee competition for Years 8 and 10, giving pupils the opportunity to put their spelling skills to the test. Well done to our Spelling Bee Champions, and congratulations to everyone who took part!

Celebrating our champions

A fantastic celebration of spelling across Years 8 and 10.

Grease auditions

Our Grease cast is announced

Close to 100 students auditioned for Grease! Well done to everyone who took part. The talent was exceptional, and we are proud of the enthusiasm and courage shown by our pupils. Our cast list is now on display.

THEME OF THE WEEK

World Mental Health Day

Our assemblies and Character Education sessions will explore this theme.

NETBALL CLUB CANCELLED NEXT WEEK

Club of the week is Pokémon Club

Led by Mr Riby and Miss Boyne, Pokémon Club has created real excitement around the academy. Playing the Pokémon Trading Card Game gives pupils opportunities to practise decision-making, reading, numeracy, teamwork and good sportsmanship.

Thursday | 3:05–3:45 pm | One World Space. Come along to trade, play and meet other Pokémon fans!

Enrichment timetable

Explore the clubs available across the week. Next week's change: Netball Club will not run. Year 8 and Year 9 rugby training is on Tuesday, 3:05–4:00 pm.
